The program is designed to orient students to entry and advanced-level emergency care as it relates to assessment, treatment, management, and ongoing evaluation of the critically ill and injured patients in their care.

# EMERGENCY MEDICAL SERVICES PROGRAM

[www.hccems.com](http://www.hccems.com)

- The Houston Community College EMS Department has provided training to thousands of individuals since 1982.
- The EMS Department is one of the most recognized and qualified programs in the State of Texas as it relates to prehospital education.
- The Houston Community College Emergency Medical Services Program prepares students for careers in EMS.
